

A GARDENING TIPS WEBSITE

1. Admin side

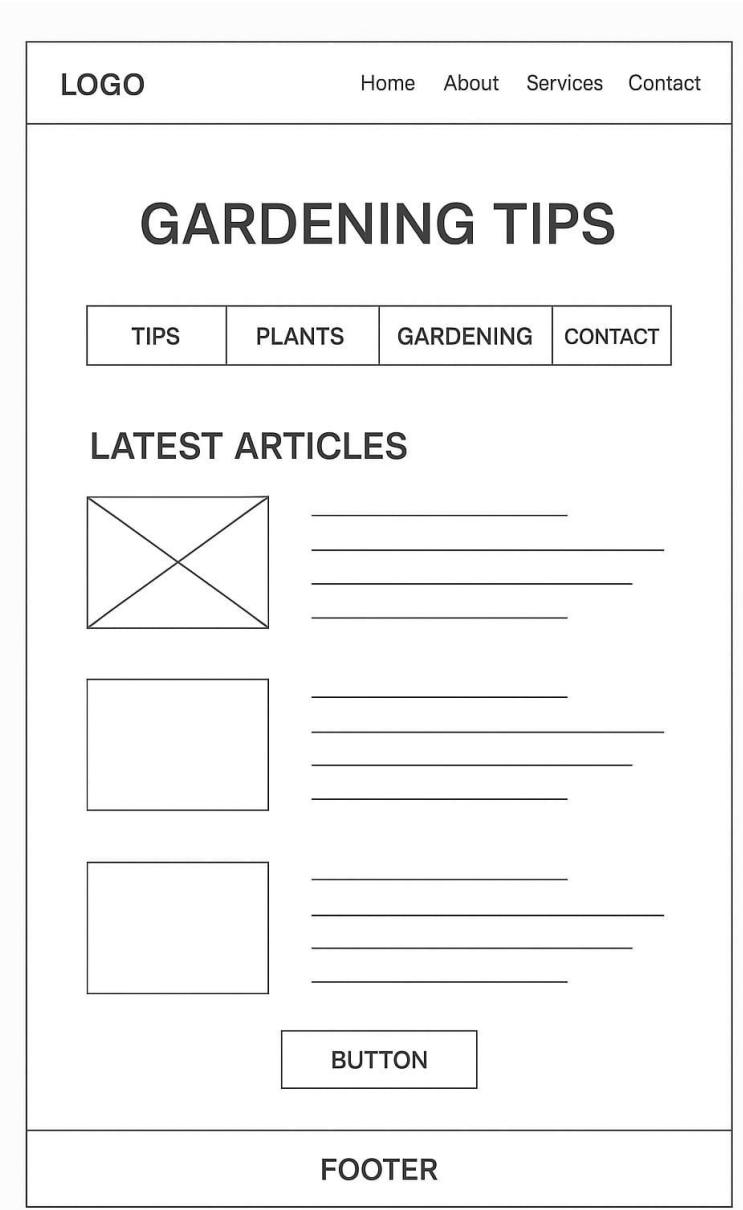

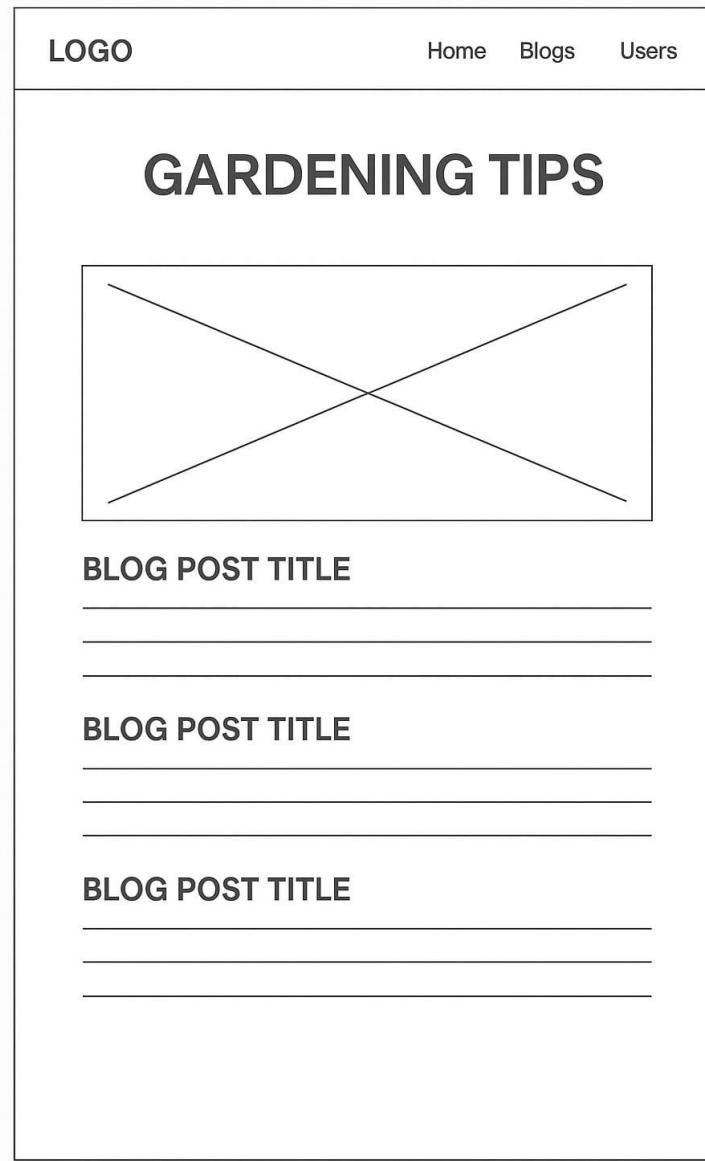

Fig: 1.1 Admin Dashboard Screen

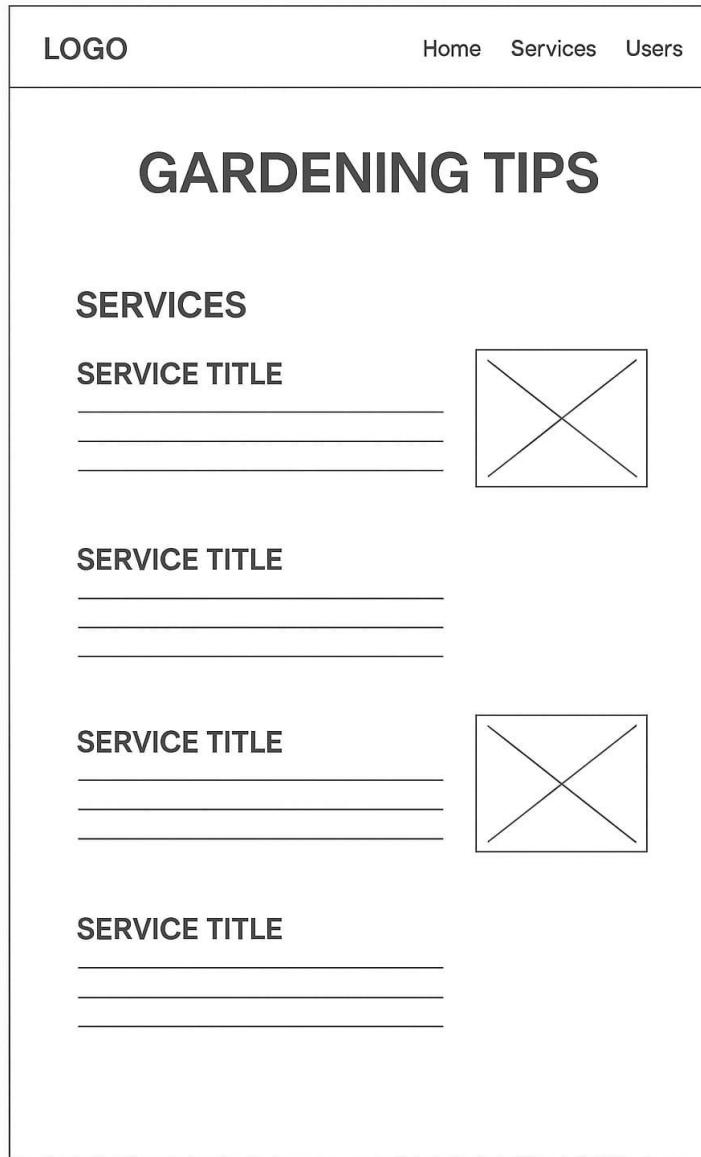

The wireframe diagram illustrates the layout of an 'About Us' page. At the top left is the university logo. To its right is a horizontal navigation bar with links for 'Home', 'Blogs', and 'About'. The main content area begins with a large section titled 'ABOUT US' in bold capital letters. Below this title is a large rectangular placeholder for an image or graphic. Underneath the image placeholder are three thin horizontal lines, likely for additional text or links. Following this is a section titled 'MISSION' in bold capital letters, also accompanied by three thin horizontal lines below it. In the center of the 'MISSION' section is a rounded rectangular button labeled 'BUTTON'. The bottom of the page features a footer section with the word 'FOOTER' centered within it.

Fig:1.2 Admin About Us Screen

The wireframe shows a web interface for an admin blog. At the top, there is a header bar with the Marwadi University logo on the left and navigation links "Home", "Blogs", and "Users" on the right. Below the header, the main content area has a title "GARDENING TIPS" in large bold letters. Underneath the title is a large rectangular placeholder box with a diagonal cross through it, likely representing where an image or video would be inserted. Below this placeholder are three sections, each labeled "BLOG POST TITLE" followed by three horizontal lines for content input.

Fig:1.3 Admin Blog Screen

The wireframe shows a web page layout. At the top, there is a header bar with the "LOGO" on the left and "Home Services Users" on the right. Below the header, the main content area has a title "GARDENING TIPS". Underneath the title, there is a section titled "SERVICES" which contains four service entries. Each entry consists of a "SERVICE TITLE" followed by three horizontal input lines and a large square placeholder box with a diagonal cross, indicating it is a form field.

2. Client Side:

The wireframe shows a client-side dashboard. At the top, there is a header bar with the 'LOGO' on the left and navigation links 'Home', 'About', 'Services', and 'Contact' on the right. Below the header, the main content area features a large title 'GARDENING TIPS' in bold capital letters. Underneath the title is a placeholder icon consisting of a square with two diagonal lines forming an 'X'. Below this section is a heading 'LATEST ARTICLES' in bold capital letters. There are three article cards, each containing a placeholder icon and a title. The first card is titled 'How to Start a Vegetable Garden', the second is 'Tips for Growing Herbs', and the third is 'Organic Pest Control'. Each card has a horizontal line below its title, likely for additional text or links.

Fig: 2.2 Client About Us Screen

The wireframe shows a web page layout. At the top left is the university logo. To its right are the NAAC accreditation details. The top right corner features the faculty name and department. Below this is a horizontal navigation bar with links: Home, About, Services, and Contact. The main content area has a title "GARDENING TIPS". Underneath it is a horizontal menu bar with four items: TIPS, PLANTS, GARDENING, and SERVICE. The main content area contains three identical service card templates, each consisting of a square icon with a diagonal cross, followed by the text "Service title" and three horizontal lines for input. At the bottom of the content area is a large rectangular button labeled "BUTTON".
