

## A gardening tips website

### 1. client-side

The image shows the client-side home page of a gardening tips website. At the top, there is a green header bar with the university logo on the left and navigation links "Home", "About", "Services", and "Contact" on the right. Below the header, the title "GARDENING TIPS" is centered above a large image of a green plant. Underneath the image, the section title "LATEST ARTICLES" is displayed. Three articles are listed in cards:

- How to Start a Vegetable Garden**  
Learn how to prepare your soil, choose the right plants, and grow your own fresh produce at home.  
[Read More](#)
- Tips for Growing Herbs**  
Discover the secrets of growing aromatic herbs like basil, mint, and rosemary in your garden or balcony.  
[Read More](#)
- Pest Control** **Organic Pest Control**
