

A gardening tips website

1. Admin-side (minimum 5 screenshot of webpages)

The screenshot shows a website layout for "GARDENING TIPS". At the top, there's a green header bar with the "LOGO" on the left and "Home About Services Contact" on the right. Below the header is a main title "GARDENING TIPS" in large green capital letters. Underneath it are four small buttons: "TIPS", "PLANTS", "GARDENING", and "CONTACT". A section titled "LATEST ARTICLES" follows, featuring three cards. The first card is titled "How to Grow Herbs at Home" and includes a brief description: "Learn simple steps to grow your own herbs and keep them thriving year-round." The second card is titled "Top 5 Indoor Plants" with the description: "Bring nature inside with these easy-to-maintain indoor plants perfect for beginners." The third card is titled "Composting Made Easy" with the description: "Discover how composting can help you reduce waste and create rich soil for your garden." At the bottom of the page, a dark green footer bar contains the copyright notice: "© 2025 Gardening Tips | All Rights Reserved".
